◆About Instructor

Asami Martin – Inspiring Young Minds in Knoxville

Get ready to meet Asami Martin, a passionate educator with a heart for children and a global perspective!

Hailing from the vibrant city of Yokohama, Japan, Asami's journey has taken her across the world, teaching and inspiring young learners in countries like Canada, Guam, Thailand, and the Philippines. With a degree in English and American Literature, she has dedicated her career to fostering creativity, curiosity, and confidence in children from diverse backgrounds.

Her adventures eventually led her to the United States, where she built a beautiful life with her husband, son, and daughter. Now calling Knoxville, TN, home, Asami continues to share her love of learning with the next generation, helping children unlock their full potential through engaging and dynamic teaching.

Her international experience and energetic spirit bring a unique touch to everything she does, making her a beloved mentor and role model in the community. Knoxville is lucky to have her shaping young minds and bright futures!
