May is Asian/Pacific American Heritage Month.

The month of May was chosen to commemorate the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the completion of the transcontinental railroad on May 10, 1869. The majority of the workers who laid the tracks were Chinese immigrants.

Learning History is important. Live current life with unity. Teach Future's generation.

ASIAN PACIFIC AMERICAN HERITAGE MONTH

May is Asian/Pacific American Heritage Month The Library of Congress, National Archives and Records Administration, National Endowment for the Humanities, National Gallery of Art, National Park Service, Smithsonian Institution and United States Holocaust Memorial Museum join in paying tribute to the generations of Asian and Pacific Islanders who have enriched America's history and are instrumental in its future success.
